

**Shriners Hospitals**  
for Children™

As is our tradition, all proceeds from the event, entry fees and sponsorship donations, are presented to a most deserved cause - **Shriners Hospital for Children – St. Louis.** Shriners Hospital is a one-of-a-kind pediatric hospital dedicated to improving the lives of children through innovative research, education, and specialized treatment of orthopedic conditions – all at no charge to their families! Visit their website at [www.shrinershq.org](http://www.shrinershq.org).

Due to increasing demand for their amazing services, the Shriners current 40-bed hospital building has become obsolete and a new state-of-the-art facility is planned for the near future. But as with all charitable entities, the Shriners, now more than ever, desperately need our help to fulfill their vision of continuing healthcare to families in need.
